

THE ETHICS OF EATING

Presented by Claire Holzner of the Ethical Choices Program

- Learn about connections between diet and health and how modern agriculture practices contribute to present-day health concerns.
- How does culture shape our beliefs and our eating habits?
- How does raising farm animals and related crops affect ecosystems, resources, land use, and animals?
- How can we best respond to the modern food production system?

DATE: SUNDAY, MARCH 18, 2018

TIME: 2:30 PM UNTIL 4:00 PM

LOCATION: 313 4TH STREET, HUNTINGDON, PA 16652

COST: FREE BUT A DONATION TO HUNTINGDON HEALTH AND WELLNESS ASSOCIATION IS APPRECIATED

DISCUSSION AND SNACKS TO FOLLOW THE PRESENTATION.
